### The Blessing

The Lord bless you and keep you. Make his face shine upon you  
And be gracious to you. The Lord turn his face toward you  
And give you peace

**Ref.** Amen, Amen, Amen

May his favor be upon you. And a thousand generations  
And your family and your children  
And their children and their children

May his presence go before you. And behind you and beside you  
All around you and within you. He is with you, He is with you

In the morning, in the evening. In your coming and your going  
In your weeping and rejoicing. He is for you, He is for you

### Run To The Father

I've carried a burden for too long on my own  
I wasn't created to bear it alone. I hear Your invitation to let it all go  
I see it now I'm laying it down. And I know that I need You

**Ref.** I run to the Father. I fall into grace  
I'm done with the hiding. No reason to wait  
My heart needs (found) a surgeon. My soul needs (found) a friend  
So I'll run to the Father. Again and again. And again and again

Oh oh oh

You saw my condition. Had a plan from the start  
Your Son for redemption. The price for my heart  
I don't have a context. For that kind of love  
I don't understand. I can't comprehend  
All I know is I need You

Oh oh, again and again. and again and again

My heart has been in Your sights. Long before my first breath  
Running into Your arms. Is running to life from death

I feel this rush deep in my chest. Your mercy is calling out  
Just as I am You pull me in. And I know I need You now

### Here Again

Can't go back to the beginning  
Can't control what tomorrow will bring  
But I know here in the middle  
Is the place where you promise to be

**Ref.** I'm not enough unless you come  
Will you meet me here again  
'Cause all I want is all you are  
Will you meet me here again

As I walk now through the valley  
Let your love rise above every fear  
Like the sun shaping the shadow  
In my weakness your glory appears

Not for a minute was I forsaken  
The Lord is in this place  
The Lord is in this place  
Come Holy Spirit dry bones awaken  
The Lord is in this place  
The Lord is in this place

### How He Loves

He is jealous for me loves like a hurricane  
I am a tree bending beneath  
The weight of His wind and mercy  
When all of a sudden I am unaware of  
These afflictions eclipsed by glory  
I realize just how beautiful You are  
And how great Your affections are for me  
Oh how He loves us so. Oh how He loves us

How He loves us so

**Ref.** He loves us, oh how He loves us  
Oh how He loves us, oh how He loves

We are His portion and He is our prize  
Drawn to redemption by the grace in His eyes  
If grace is an ocean we're all sinking  
So Heaven meets earth like a sloppy wet kiss  
And my heart turns violently inside of my chest  
I don't have time to maintain these regrets  
When I think about the way that

### Be Still

Be still and know  
That the Lord is in control  
Be still my soul  
Stand and watch as giants fall

**Ref.** I won't be afraid, You are here  
You silence all my fear  
I won't be afraid, You don't let go  
Be still my heart and know  
I won't be afraid

Be still and trust  
What the Lord has said is done  
Find rest don't strive  
Watch as faith and grace align

Surely love and mercy  
Your peace and kindness  
Will follow me will follow me

Your love surrounds me  
Your love surrounds me here
