

Our Homebound members would like to hear from us. We have listed homebound residents so that we as a congregation can let them know we care. We are all deacons of our Lord, so if you are led, please send a card, visit or just give them a call. We know they would love to hear from us. You can find their addresses, phone numbers and birthdays in our church directory or you can contact one of our Lead Deacons named above.

Card Ministry

The Deacons have a very important ministry which serves our entire church. Every member receives a birthday card which lets our member know that they are loved by us. The second part of our card ministry serves our members who are ill or hospitalized or has had a death in the family. It is so important to let the church office know of every member who is ill or in the hospital so that cards may be sent. It is also very important to let the Pastor and/or church office know if there is a death in the family. Please contact the church office at 732-968-3844, or Lead Deacons Janet Davies or Harry Ortíz.

After God's OWN Heart

Summer Sermon Series 2022
on the Life of King David

David is a larger than life character whose personality and actions leap off the pages of scripture. The stories of his life are famous, from his military victories to his family issues, from his personal sin to his public repentance and passionate worship. Most of us have read his praise songs and earnest prayers in the Psalms. But God tells us that what sets David apart is not his successes or his failures, but his heart. A thousand years after David the apostle Paul said this: "After removing Saul, He (God) made David their king. God testified concerning him: 'I have found David son of Jesse, a man after my own heart; he will do everything I want him to do.'" Come join us this summer as we study the life of David to learn to be people After God's Own Heart."
