**Missions Emphasis Sunday: PILLAR COLLEGE**

Pillar College is dedicated to helping students pursue God's purpose and their passions by providing Christian higher education at the only accredited Christian College in Metro New York and New Jersey. With Campuses in Newark and Paterson, Pillar offers Associate's, Bachelor's and Master's degrees that are faithful to classical Christianity, grounded on the authority of God's Word, and committed to challenging Christians to serve Christ with passion and purpose. As Christ came into the world to serve God and humanity, students are also invited to learn how to invest their lives to make a lasting impact on the world.

## **Help Serve our Kids at Wednesday Night @ Church**

Is God calling you to serve as a Children's Ministry worker at Wednesday Night Kids on Wednesdays from 7-8:30pm? We are planning a 4-5 week rotation of teachers and need 4-5 adults over 18 to serve as helpers to the teacher. If you have not been background checked or child safe trained in the last 3 years we will be offering the training soon. Please contact Kara Osborne or Denisse Rosales for more information.

## **Our Church Family is Growing & We Need Your Help!**

Our Fusion Kids Program is growing! We have Fusion Babies and Toddlers as well as more Fusion Kids Friends. We are outgrowing our space in the Narthex. We need adult helpers (18 years or older) to assist Mrs. Kara each week and would also love teen helpers (12-17 years old) to assist our one room Fusion Kid/Nursery Program that will be moving to the education building in the fall. We are hoping for several volunteers so we can have a 4-8 week rotation. Attenders of all services are welcome to assist. If you would like to help, please speak with Mrs. Kara.
