## **Missions Emphasis Sunday: ACROSS NATIONS**

Started in 1906, Across Nations is located in the unincorporated town of Tse Bonito, New Mexico—just shy of the Arizona state line outside of Window Rock, AZ and in the checkerboard region of the Navajo Nation. The primary focus of the ministry is to proclaim the Good News to Native Americans using the inerrant, infallible Word of God as the sole basis for ministry. They minister to Navajo and Hopi Indians using three main outreaches.

1- Across Nations Radio which consists of three radio stations operating full time.  
2- Hilltop Christian School which provides students with a Christ-centered curriculum.

3- Christ for Native Youth which is building a community to transform Native American Youth into their full potential in Christ.

In addition to these ministries, they are assisting in developing a functioning church among Native Americans. Find out more at: <https://www.acrossnations.cc/>
